United Way's Women in Philanthropy provides women an opportunity to make an impact on the quality of life in Lincoln and Lancaster County through support of United Way and Community Health Charities of Nebraska. These women are business leaders within the Lincoln community who take an active role in making our community a better place to call home.

The 12th Annual Helping Hands Auction will raise funds for the basic needs of our community's children, such as diapers and winter clothing. The auction will also benefit a pediatric brain tumor research program through Team Jack Foundation.
