Thank you for your past and continued support of the annual United Way Campaign. We could not exist without our campaign contributors who allow us to meet our goals and serve our community each year.

Thanks to the foresight of several United Way Board members, we have an additional way that contributors can give a tax-deductible gift to support United Way and the many individuals we serve. The United Way of Lincoln and Lancaster County Foundation, Inc. was established in 2005 as a way to sustain and enhance the operations of United Way proper for generations to come. Earnings from the endowment will be used to offset the operational costs of United Way proper, thereby increasing the amount of funds that can be distributed to member agencies and initiatives.

There are many ways to give to the United Way Foundation, including outright gifts of cash or stock, life insurance, IRAs, and other planned-giving vehicles. Also, a gift to the Foundation is the perfect way to honor a boss, co-worker or family member who is retiring, celebrating a significant anniversary or life event.

Please consider a gift to the United Way Foundation in your year-end giving plans. Enclosed you will find a contribution card and reply envelope. Your gift will allow United Way to build strength and security as we strive to meet the ever-challenging needs of our community.

Sincerely,

A handwritten signature in cursive script that reads "Brian Wachman".
